

PRACTICAL 2. Create a Career Oriented Presentation with 7 slides using transitions and animations.

The slide features a large title "MY CAREER PATH AS A FUTURE ENGINEER" in bold, pink, sans-serif font. Below the title is a circular illustration of a scientist in a lab coat, wearing blue gloves, working with test tubes and a pipette. In the background, there's a computer monitor displaying a logo with the letters "EEE". At the bottom left, it says "PRESENTED BY: Anushka Arya". The top right has navigation links: Home, About, and Contact.

The slide features a large title "ROADMAP" in bold, pink, sans-serif font. Below the title is a circular illustration of a scientist sitting at a desk, looking at a computer screen. The screen displays a complex interface with various data visualizations, including a solar system diagram and a planetary chart. The top right has navigation links: Home, About, and Contact.

1. Build Skills
2. Real World Experience
3. Communication, problem solving, teamwork
4. Continuous Growth

SKILLS AND STRENGTH

How Your Background Shapes Your Options

MS Excel, MS word, Canva

HTML, CSS , Javascript , C
Quick Learner & Problem Solver

"I Believe data and determination can solve any problem".

Work in a top tech company like Google,
Microsoft, Amazon and IBM.
Contribute to AI-based innovations that
solve real-world problems.

DREAM JOB

My dream job is to become a Software Engineer in a top tech company like Google, Microsoft , Amazon and IBM. I dream of working in a team of innovators where I can learn and grow continuously.

summary

Anushka Arya

In my career journey, I aim to grow as a skilled and confident professional by building strong technical knowledge, practical skills, and a clear roadmap for success. My dream job motivates me to keep learning, improving, and exploring new opportunities. By focusing on continuous learning, developing essential strengths, and understanding the industry requirements, I am preparing myself for a successful future. This presentation highlights my goals, skills, and the steps I plan to take to achieve my dream career with dedication and consistency.
